## Hermon Graduation

The 59th Commencement exercises held in Mount Hermon Memorial Chapel last Saturday morning, concluded a full week of commencement activities, including the senior banquet on May 31, the faculty reception on the afternoon prior to Commencement, and the senior dance at the Chateau that evening. Earlier in the week Dr. Howard L. Rubendall delivered the baccalaureate sermon. Speaking on "Wilderness Living," Dr. Rubendall compared the world today with the Biblical account of the Exodus. The Israelites were released from bondage but had to spend 40 years in the wilderness before they reached the promised land. We are emerging from the bondage of war but we have a wilderness ahead of us and must learn its lessons before we inherit our promised land of hope.

At the commencement exercises on Saturday Dr. James L. McConaughy, president of United China Relief, was the speaker. Dr. McConaughy was president of Wesleyan University for 10 years and graduated from Mt. Hermon in 1905. He recently undertook an extensive trip to China and saw at close range the conditions American boys in the Pacific are facing. In his address he said: "The graduating class of 1945 is to be congratulated because they face a world of uncertainties. Only weaklings desire certainties; the unknown challenges young men of backbone and courage. For four years boys have graduated from Mt. Hermon with the certainty that they faced war service. Some of you may fight; others will be permitted a college course in peace. All of you will be tested as citizens rather than as soldiers. In many ways a soldier's test is easier than a citizen's. It is more immediate, more obvious. Serving one's country, and humanity, in peace is harder; it takes equal courage, and idealism. If you are good citizens in this world recovering from chaos, it will be because you remember your boyhood ideals."

Among the 117 students receiving diplomas on Saturday were John A. Rikert, son of Mr. and Mrs. Emory Rikert, Theodore Wright, son of the Rev. and Mrs. Horace K. Wright, Ross L. Spencer, Jr., son of Mr. and Mrs. Ross L. Spencer, William J. Peck, son of Rev. and Mrs. H. Dudley Peck, formerly of Northfield, and Harold S. Zaluzny, son of Mr. and Mrs. Harry Zaluzny of South Vernon.

Ham, president of Mount Holyoke College, will give the address at the Commencement exercises Monday morning at 10.30 in the Auditorium.

Among the candidates for graduation are Eva Lou Manley, daughter of Rev. and Mrs. Frank P. Manley; Phebe Stacy, daughter of Mr. and Mrs. Harrison G. Stacy of South Vernon; Ruth Taber, daughter of Mr. L. I. Taber, Mount Hermon; Catharine Rikert, daughter of Mr. and Mrs. Carroll Rikert; Katherine J. Moody, daughter of Mr. and Mrs. A. On Sunday there will be a communion service in Sage Chapel at 7:30 a. m. and in the afternoon there will be an informal reception for seniors and their guests at the principal's house at 3:30. Sunday evening there will be a student music recital in the Chapel at 8 o'clock, followed by the traditional lantern service on Chapel Hill at 9:30 p. m.

## Come Home On Visit

Mrs. C. C. Compton, who resides with her family in the former residence of Mrs. E. F. Howard off Highland Avenue, expects that Mr. Compton will enjoy a leave from his task in Greece and arrive home here sometime the latter part of July. Mr. Compton is dean of Anatolia College in Greece and after fleeing the country in the advance of the Germans, came to Northfield and served as a member of the Mount Hermon school faculty. He was called to assist the government in its work with the UNNRA in Greece and for nearly two years has been active there in the problems of feeding and clothing the unfortunates. Many friends will be happy to greet him on his return.

## Was Awarded Degree

At Commencement exercises held at Dickinson College, Carlisle, Pa., on Sunday, June 3, the Rev. Howard L. Rubendall, headmaster of Mount Hermon School, was awarded the honorary degree of Doctor of Divinity (D.D.). Dr. Rubendall graduated from Dickinson College in 1931 and Union Theological Seminary in 1937 and before coming to Mount Hermon he served as pastor of the First Presbyterian Church of Albany, N. Y., and taught prior to that at the American University of Cairo and the Hill School.

## Alumnae Meeting

The annual meeting of the Alumnae association of the School for Girls was held the weekend of May 26 beginning on Saturday morning with a session at which Miss Elizabeth Glasby the president presided. The afternoon session was in Phillips Hall, and during the evening a social was given to the Seniors at which time the Bemis award was made. Miss Eleanor Ervine of Endicott, N. Y. was the guest speaker. On Sunday, members attended the services at Sage Chapel and tendered a reception to the faculty and staff at the faculty home. Owing to war conditions the usual annual luncheon was omitted as well as a more extended program.

## The Sun Is On Our Hills

Once more the sun has turned its warmth Upon our fields, and thaws reach deeply Into soil and stone. We hear again Rich warbled songs, and robins caroling, And long before the frost has gone The willows scatter gold across the land; The osiers near the ice-clogged streams Turn red as fire; the sun is on our hills!

MIGHTY SEVENTH**

OUR FLAG flies once again over Corregidor. The cost was great in blood and pain, but our fighting men did not turn back. And on Iwo Jima, four thousand men—more and more—died to take the long step forward to Victory. Twenty thousand others suffered wounds. Yes, we're on the way to Tokyo!

At home, your contribution to Victory is measured in dollars.

The Seventh War Loan is the biggest in America's history because seven billion dollars must be raised from individuals alone. That means you must buy more and bigger War Bonds.

This is really two great loans in one; for this time last year you had been called upon twice to subscribe in War Loans. As our fighting men raise Old Glory all over the world—let's raise the money back home!
